

HARDWOOD PLYWOOD

Dedication • Resource • Inventory • Value-added • Experience

Hardwood Plywood has been a main ingredient in Aetna Plywoods' product mix for a long time. We have become the industry leader in supplying quality panels to a wide variety of end users. Our selection of stock panels cannot be matched and our dedication to you the customer follows suit.

Aetna plywood has increased our SKUs to include items with grades from "AAA" faces for your high end needs down to "D" faces for painting and laminating. All of these items come in a variety of thicknesses, sizes, and cores. And if it is not in stock, we have the ability to get

your special needs to you quickly and exactly how you want it!

We understand that today's customer is very demanding. Speed, quality, value, and cost efficiency is a must. We appreciate your business. Aetna is ready to fulfill those needs.

HARDWOOD PLYWOOD:

Aetna's specialty. More than 200 SKUs in stock. Virtually all species, types, thicknesses, grades and cores available. 1/8" to 1-1/4" in stock. And if we don't stock it, we'll get it fast.
